A CREED FOR TODAY: Faith and Commitment for a New Earth Awareness by DONAL DORR.

Donal Dorr is a theologian and missionary priest who has served as a consultant to the Pontifical Council for Justice and Peace and as a resource person for the Irish Missionary Union. This book offers a fresh and challenging look at Christian truths; it states the ancient Christian faith in updated engaging terms. It offers a vibrant spirituality based on a rereading of Christian tradition through the lens of LOVE AND CARE FOR THE EARTH and all its creatures. It's kind of a synodal approach. We are in this together.
